Homecoming 2011 Update

Due to construction of the Bryson School site, the homecoming activities will be altered. The front steps to both the high school and the elementary school and retaining wall have been removed and parking will not be available. The back parking area will also have construction beginning at any time; thus the parking and accessibility of the building may be very limited. Therefore, the following adjustments have been made to the activities.

There will be no meal or program Saturday night. Classes ending in **one (1)** will be honored at the half-time of the Friday night football game. All classes being honored need to be at the football field by 8:00 p.m. and further instructions will be given at that time.

We encourage you to come home and visit with your classmates. Please contact Geneva Day genevaaday@yahoo.com OR Becky Walden at 940-392-2601 Ext. 221 with any questions or concerns. If you are coming in from out of town, please check the school website or contact us to see if there have been any changes in the schedule of activities.
