Overview of Ala Carte lunch system for Bryson ISD

Bryson ISD offers all students the ability to order Ala Carte lunch items in addition to the normal food service operations that we offer. ALL Ala Carte items must be paid for when they are ordered and BEFORE they will be served. This can be done in 1 of 2 ways. Parents can use our Lunch Money Now online system to setup an account and keep money in that account or the items can be paid for with cash when they are ordered. NO CHECKS WILL BE ACCEPTED. With this form, should be a form that describes all of the details of the Lunch Money Now system so you can decide if you want to use it or not.
