

Bryson ISD Title I Parent Meeting Information

Bryson ISD is a **Title I Campus**: **Title I** is the nation's largest federal program for public schools.

According to the U.S. Department of Education, the purpose of **Title I** funding, "is to ensure that all children have a fair, equal, and significant opportunity to obtain a high quality education and reach, at minimum, proficiency on challenging state academic achievement standards and assessments."

This policy is committed to closing the achievement gap between economically disadvantaged students and other students.

Title I provides financial assistance to meet educational needs of students who may be at risk of failing the state's performance standards. **Title I** funds are also used to improve curriculum, instructional activities, counseling, parental involvement, increase staff and program improvement. The funding assists schools in meeting the educational goals of economically disadvantaged students typically in reading and mathematics.

Some of the benefits we receive by having a **Title I** campus wide program include:
professional development

- parent trainings
- supplemental books and materials
- paraprofessionals
- computer software
- homeless services
- school supplies

At Bryson ISD we want to provide quality instruction to students so EVERY student can meet and exceed on state performance

standards. With title funding we have become that much more equipped to help students achieve greatness in the future.

But we need you to participate in your child's education by taking part in the many opportunities we offer.

- Attend parent meetings
- Complete parent surveys
- Sign the parent-school compact
- Volunteer at school
- Serve on site-based team
- Attend parent/teacher conferences
- Attend open house, team and school programs and other family events planned at school
- Review communication folders in the elementary
- Download apps that promote communication between staff, students, & parents
